# WHY the need of a Finance Locker?

- Customers fail the commitment of timely EMI payment.
- Arrogant Customers.
- Change of their Contact number is a general tendency.
- Change of corresponding Address is also a frequent phenomena.
- Providing wrong reference.
- Resale of bought Handsets.

# Who needs the Locker?

1. The Handset retailers who finance the customers on their Own with a predetermined or mutual agreeable interest rate.
2. The retailers where the product financing are being done by Financial Institutions but the proposed retailers are exposed to the risks of being black listed by the FI if three of his customers are EMI defaulters within first 3 months.
3. The Financial institutions who do the financing like, Bajaj Finance, HDFC Finance etc.

# How does Mcops Finance Locker Help

- The Retailers can choose to Lock the Customer's Phone who has not paid his monthly EMI.
- Locking the Phone means:
  - No incoming and Outgoing Calls.
  - The Handset will be as good as a Dummy Handset.
  - SIM change does not help to Unlock the Device.
- The device screen will only show the message that his EMI is pending and it has to be paid on an immediate basis to unlock the device.

# How does Mcops Finance Locker Help

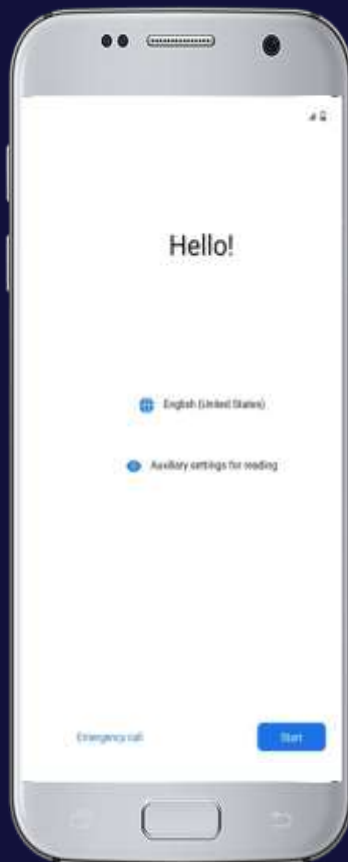

- The Retailer or the Financer has a complete control over the Financed Handsets.
- The Retailer or the Financer can securely finance any Handsets.
- Undue advantage of the Retailers or the Financer is a history now.
